

Demo Bike Terms

We charge £50 to hire a demo bike, this covers one day from 1000 to 1730, and is returned if you decide to buy a bike from us.

Terms and Conditions will have to be agreed and signed prior to hire. This will agree liability for any damage to the bike.

You will need to bring a credit or debit card as a deposit and a driving licence or passport as proof of ID to secure the demo. The hire charge must be paid for using the same credit or debit card.

All of our demo bikes include flat pedals. If required, please bring your own clipless pedals.

Familiarise yourself with the bike; all bikes behave differently and have different capabilities.

All we ask is that you bring back the bike by the time agreed, treat it with respect and return it in the same condition that it left the store in. If there are any issues with the bike whilst out on the trails, please remember to discuss it on your return.
